| Black Tea | | |
|-----------|--|--|
| SL No. | Name | Description |
| 1 | Darjeeling Black Supreme Tea | Premium whole leaf Black tea of the best grade (SFTGFOP1), grown in organic tea gardens of the Darjeeling region. It is a Second Flush tea produced during May-June time-frame having golden tips resulting in best aroma |
| 2 | Darjeeling First Flush | First Flush teas grown during March-April in Darjeeling region are famous worldwide for their delicate aroma and taste. These are First Flush Black teas from an organic tea estate in Darjeeling |
| 3 | China Special Darjeeling Black Tea | A delightful production of the Gopal Dhara estate of Darjeeling, this tea delivers a brisk cup with notes of orchid-like flavor. It leaves an everlasting impression on its drinkers |
| 4 | Classic Chinary Black Tea | An extragredients flavored tea, beaming with fine flavors of white flowers, fresh herbs and nuts. Another connoisseur's delight, this tea exudes a lusciousness unlike any high-grown Darjeeling tea |
| 5 | Clonal Light Darjeeling Black Tea | When it comes to flavors and taste, Darjeeling never fails to deliver. This sweet floral tea will definitely impress you and make you want to have more. |
| 6 | Darjeeling Arya Rose Black Tea | Give your day a satisfying fresh start with this incredible Darjeeling tea. This cup of tea will surely keep you energized throughout the day. From the famous "Arya" Tea Estate in Darjeeling, well renowned for producing a mild yet enriching cup, its flavors are fresh, delicate and reserved |
| 7 | Darjeeling Clonal Muscatel Black Tea | The leaves of this Darjeeling tea are subjected to a short wither and long oxidation which helps extract sweet, fragrant red wine-like notes that resemble the Muscat grape, from where it gets its name. This muscatel hails from the Seeyok Tea Estate |
| 8 | Darjeeling Queen Autumn Flush Black Tea | This is an incredibly balanced tea with a light yet complex flavor profile. A truly remarkable tea exhibiting the 'Champagne' designation of Darjeeling teas |
| 9 | Gopal Dhara Summer Darjeeling Black Tea | A tea enriched with the goodness of Darjeeling's flavor; this tea is a delight for the palate as well as the eyes. These leaves deliver a crisp floral cup with a beautiful golden colored brew, which will make you come back for more |
| 10 | Gopal Dhara Special Darjeeling Black Tea | This is a tea loved for its exceptionally smooth and delicate fragrance of aromatic orchid flowers. With light, floral attributes, the Gopal Dhara autumnal tea is well suited for a delightful cup all day long |
| 11 | Himalayan Orthodox Black Tea | Grown at a height of around 6000 ft. this tea has a refreshing flavor due to the cool and humid climate of the region. The tea has a smooth grassy aroma with subtle hints of wet wood and nuts |

| 12 | Namring Upper Darjeeling Black Tea | The tea speaks about the place it comes from. This light cup of black tea is pleasantly sweet and smooth on the palate. The aromatic floral and fruity notes do justice to the beautiful flora of this rich estate which boasts exceptional clonal bushes |
|------------------|------------------------------------|---|
| 13 | Puttabong Darjeeling Black Tea | A house-special blend of the lighter muscatels. Blended together, it produces a cup that's rich in classic Darjeeling flavors, most notably wood and sour fruit, along with a pleasant amount of astringency. It is light yet brisk and therefore refreshing |
| Green Tea | | |
| SL No. | Name | Description |
| 14 | Darjeeling Green Classic Tea | Whole leaf green tea grown in organic tea gardens of the Darjeeling region. It is a Second Flush tea produced during May-June time-frame having golden tips resulting in best aroma |
| 15 | Roasted Green Elixir | These Green teas are slightly roasted to provide a better taste. These are whole leaf green tea grown in organic tea gardens of the Himalayan region. It is a Second Flush tea produced during May-June time-frame having golden tips resulting in best aroma |
| 16 | Mao Feng Green | This Green tea is prepared using one of the world's most sophisticated Chinese methods of preparing green tea. It has golden/neon green liquor with deep mellow herbal flavor. This tea is not fermented but carefully steamed, rolled, and set in different machines all the while, protecting the natural flavors of the hand-picked finest quality 'one leaf and a bud' |
| 17 | Sencha Green | This aromatic tea is prepared using a Japanese method of processing green tea by decoction. The fine tea leaves are handpicked and then steamed for between 30-45 seconds as early as they are harvested to prevent the oxidation of the leaves. Thereafter, the leaves are lightly rolled, shaped and dried. This tea has golden/neon green liquor and light and vegetal/grass aroma bordering between 'bitter-sweet' in taste. Sencha is a very popular drink in Japan, and it is drunk hot in the winter and chilled in the summer |
| 18 | Bancha Green | This is a Japanese way of preparing green tea. These are generally made during the last "June to September". Bancha tea is low in caffeine, and has a unique flavor with a strong organic straw aroma. This tea has yellowish green liquor with a deep appealing herbal flavor, the taste of which lasts long after you have finished drinking it, making you feel refreshed, healthy and happy |
| 19 | Green Pearls | Best Green tea where each pearl opens in a bud and leaf. Most aromatic having least bitterness that is typically associated with Green tea |

| 20 | Darjeeling Classic Marvel Green Tea | An extremely light and delicate tea with a bright liquor. This extremely delicate brew is reminiscent of fresh summer blossoms which keep you thrilled throughout this beautiful sensory experience |
|-------------------|-------------------------------------|--|
| 21 | Darjeeling Organic Leaf Green Tea | Treasured for its rich golden liquor and distinctive muscatel flavor, this tea scores high on any connoisseurs list. Bright and aromatic, with a floral muscat grape scent, it has notes of warm spice which makes this an excellent summer harvest |
| 22 | Darjeeling Summer Classic Green Tea | The exotic tea from Selim Hill produces a flavorful cup with characteristics of classic green tea, at an irresistibly good value |
| 23 | Darjeeling Summer Green Tea | Enjoy the finest green tea straight from the estates of Darjeeling. This simple and smooth tea promises to give you good health altogether. Low in caffeine, this tea gives you a chance to rejoice the flavors of Darjeeling with every sip |
