OVERVIEW

BREWLYS brand was born out of the dream to introduce India & the world to the best specialty herbal & wellness teas, coffees, tea & coffee accessories and superfoods and other healthy edible products.

In an endeavor to bring delightful range of products to the market, our coffee is made from the finest quality coffee beans, sourced from the Southern parts of India which is famous for its rich coffee production.

ABOUT OUR PRODUCTS

Our flavored coffee will enhance your experience by indulging you in the soothing aromas of vanilla, caramel, hazelnut, almonds, cardamoms, oranges, and berries.

We aim to deliver our sumptuous variety of delicious and easy to make coffee all over India and the world.

INSTANT COFFEE

SPRAY DRIED

Spray Dried coffee is subject to higher temperatures at the time of drying. This allows us to provide very cost-effective products to our customers for their 3-in-1 mixes!

Blend Available: 60/40, 70/30, 100

FREEZE DRIED

The low-temperature drying process helps retain excellent taste, with rich aroma without any bitterness. This can be enjoyed as a hot or cold coffee as it dissolves in water and/or milk – replicating a fresh brew experience

Blend available: Pure Arabica

INSTANT COFFEE

AGGLOMERATED

Produced using the spray drying method, the fine particles are then gathered into larger particles using a re-hydration process. This produces a visually more favorable product, with noticeable increase in insolubility

Blend Available: 70/30, 100
