

Tastes since 1998

TM Sonyah – Fabryka Smaku started its activity in 1998. Since then it has developed from a small family company to become a strong modern manufacturer and supplier of food products.

The company pays huge attention to modernization of equipment and modern technologies implementation.

Modern equipment and production automation allow us to produce wide range of grocery and snack products that complies with the highest quality standards.

TM Sonyah – Fabryka Smaku is well known not only in Ukraine, but also far abroad. Production of goods under Buyer's private label allowed us to increase markets of sale and to gain new valuable and constant partners.

Nowadays, goods of TM Sonyah are constantly being exported to more than 15 countries all over the world.
