Commission Structure:

LINKSTSPL operates on a transparent **commission-based model** for facilitating trade. The commission is structured as follows:

- **Standard Commission:** A percentage of the total transaction value, negotiated based on the product type, order volume, and market conditions.
- **Fixed Fee Arrangement:** In some cases, a predetermined fee may apply instead of a percentage-based commission.
- **Custom Agreements:** Long-term partnerships and high-volume transactions may be subject to customized commission structures based on mutual agreement.

All commission terms are agreed upon before initiating any transaction, ensuring clarity and fairness for all parties involved.

Collaboration Clause:

LINKSTSPL engages in trade facilitation based on mutual trust and strategic partnerships. To ensure seamless transactions and a productive collaboration, the following principles apply:
