Modern Design, Flexible Production – A New Standard in Rugs

Our modern 3D printed rugs are made of 100% polyester, offering a combination of **machine washability, robot vacuum compatibility, and a 9mm pile height**—providing both elegance and functionality. This makes them a perfect fit for both residential and hospitality use.

Custom production available in all sizes and designs

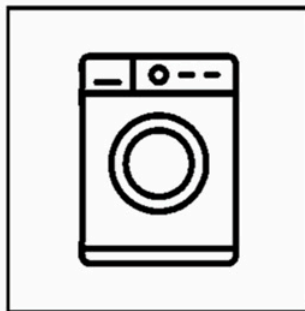

Worldwide shipping available

Flexible Minimum Order Quantity (MOQ)

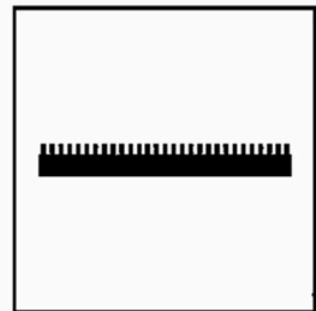

An ideal solution for professional buyers seeking stylish, durable, and practical rugs for modern living spaces.

**Robot Vacuum
Friendly**

Machine Washable

9mm Surface Height

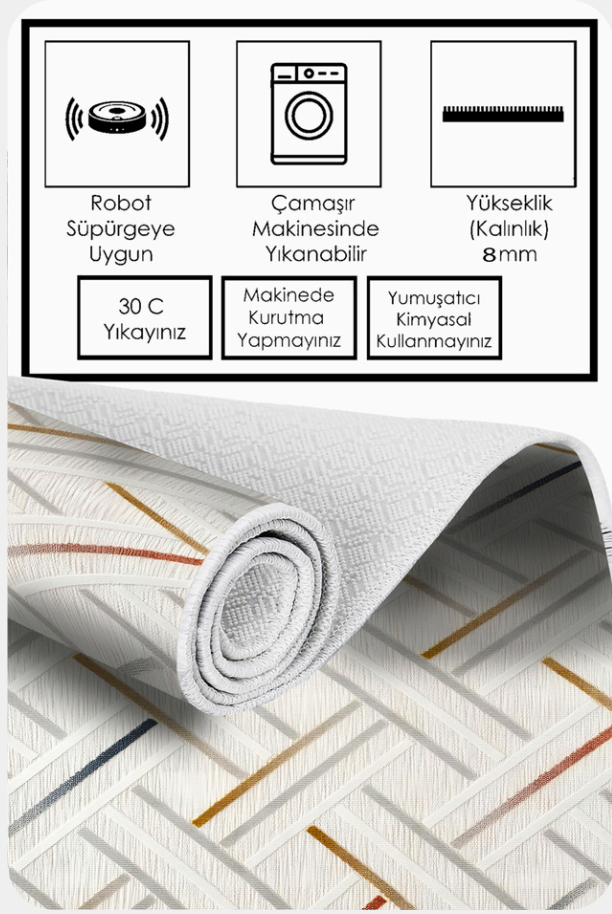

Wash at 30°C

**Don't
tumble dry**

**Do not use fabric
softeners or
chemical agents**
