The story began in 2012 when the promoter of the company conceived the idea of exporting the Ethnic Indian heritage food Products. Mil Overseas Export as a group saw an opportunity to broaden its horizons and entered into the international arena in 2013 with manufacturing of spices and other Indian Ethnic food products. With professionally qualified people in the field of international trade, the group worked on the philosophy of quality and timely deliveries. Agro food products, Indian ethnic products, Frozen Food Products, Utensils, Prayer articles, FMCG products are the core products that we serve to the clients worldwide.

We started humbly as merchant exporters of Indian groceries. With enough experience under our belt, we ventured into manufacturing Spices, becoming Manufacturer cum Merchant Exporters. We still stand strong with our goal to deliver pure and natural spices to each and every home, domestically and internationally. With prime focus on quality and our drive for business, have made us a leading supplier of Premium Quality Indian Spices.

Presently, we are also supplying all kinds of Spices, Bakery Products like Rusk and Cookies, Organic Food Products, Pesi Jaggery & Shakkar, Mouth fresheners and Indian Snacks in Healthy Bites and Natures Delight in Private label, all Puja-related items to 23 countries in EU. Today we are heavily involved in the movement of Indian Groceries, Spices and FMCG Food and Non-Food Items as well. We have been sourcing these items from various companies and exporting the same under their brand name and also in private label.

Over the years, we have developed expertise in the field of FMCG products, which leverage our credibility even further. It is our top-most priority to provide clients with the most qualitative range of products and to widen our horizons in the industry even further. With proven services to our clients, we became the Spice Company in North India with an Automatic Spice Cleaning Plant. We have been raising the benchmark in the spices industry and we intend to continue this beautiful tradition. This is just the beginning of our journey towards excellence with your love and support.
