

TIYA DISTRIBUTION & SUPPLIERS

**PREMIUM
SESAME SEEDS
FOR EXPORT**

About Us

At Tiya Distribution, we are more than just exporters—we are partners in progress. Based in Tanzania🇹🇿, our mission is to bridge the gap between local farming communities and global markets by providing premium-quality sesame seeds cultivated through sustainable and ethical practices.

Our Advantages

- **Consistent High-Quality Supply** – We source directly from farmer cooperatives, ensuring a steady flow of sesame seeds that meet international quality standards.
- **Competitive Pricing Through Direct Sourcing**– By eliminating intermediaries, we offer competitive prices without compromising on quality.
- **Compliance with International Standards** – Our products adhere to global food safety and quality standards, with SGS testing available upon request.
- **Fast Response & Custom Logistics** – We respond quickly and adapt packaging and shipment based on your needs.
