PT TANAKA LAGAN NAWASENA

FROM AKAR TO YOU,  
SUSTAINABLY FARMED,  
ETHICALLY CRAFTED.

# WHO WE ARE

AkarLab is a dedicated division of PT Tanaka Lagan Nawasena that focuses on sourcing and manufacturing raw materials for diverse sectors, overseeing the entire value chain from source to the transformation of raw materials into finished goods.

## OUR VISION

A resilient business where people and the environment thrive

## OUR MISSION

Improving local community livelihood by producing the highest quality products in the most environmentally and economically sustainable manner possible

## VALUES

**EXPERTS** : Expertise and insightful evidence-based solutions are at the heart of everything we do.

**GROUNDING** : Our teams work closely with local communities, engaging them in every level of decision-making.

**IMPACTFUL** : We deliver long-lasting change for farms, their families and the environments they live in.

**BOLD** : We model innovative approaches and be open mind with changes.
