# Production

At Wadi El Nile for Frozen Food Industries, we are a leading company in the production and distribution of frozen food products. We are committed to providing high-quality products, offering a wide range of frozen vegetables such as okra, molokhia, mixed vegetables, and other products that meet the needs of local and regional markets. Using the latest technologies, we ensure the highest global quality standards. Under the leadership of our General Manager, Mustafa Kamal Mohamed, we continuously strive for expansion and building strategic distribution partnerships across various markets.
