

TALE OF TWO

B2B Uniform Solutions

ABOUT US

We are a slow fashion brand from the heart of Bali, producing everything locally, and a B2B uniform provider dedicated to creating high-quality and sustainable uniforms that elevate your brand image and empower your employees. We can create a cohesive and stylish look that reflects your brand's unique identity while designing comfortable, functional uniforms that your employees will love to wear. By investing in our uniforms, you choose products that are kinder to the planet, reducing fashion waste and chemicals. Additionally, we offer competitive pricing and bulk order discounts for cost-effectiveness.
