

# WHO WE ARE

## ► OUR COMPANY

Divine Machinery Solution is a trusted name in the machinery manufacturing industry, delivering high-quality and efficient solutions tailored to meet diverse industrial needs. With expertise in designing hydraulic presses, sheet presses, and laminate presses, we are committed to providing innovative machinery that enhances productivity and reliability.

## ♥ OUR VALUES

At Divine Machinery Solution, we uphold innovation, quality, and reliability in every machine we create. We prioritize customer satisfaction, sustainability, and ethical business practices. Our commitment is to drive growth and efficiency for industries worldwide. We strive to build long-term relationships through trust and excellence.

## 🎯 OUR GOALS

At Divine Machinery Solution, we aim to deliver high-quality, innovative, and efficient machinery solutions. Our focus is on cutting-edge technology, durability, and precision. We prioritize customer satisfaction with tailored solutions and excellent service. Sustainability is key, as we develop eco-friendly machines. Our vision is to expand globally, empowering industries with reliable automation.

**AFFORDABILITY AND QUALITY**

# PRODUCTS & SERVICES

## HYDRAULIC PRESS

Bending Press

4 Pillar Hydraulic Press

C - Type Hydraulic Press

H - Type Hydraulic Press

Laminate Hydraulic Press

Rolling Press

2 Pillar Hydraulic Press

Fixed Frame Hydraulic Press

Injection Moulding Machine

Router Machine

Plastic Washing Machine

Plastic Drayer Machine

## SHEET PRESS

100 MM sheet press manual

100 MM sheet press automatic

120 \* 240 Cm sheet press

Cold Press Manual

60 \* 60 Sheet Press Manual

150 \* 150 Cm sheet press manual

## EXTRUSION

V-3 Extrusion

V-4 Extrusion

V-5 Extrusion

Bailing Press Plastic Verticle

## SHREDDER

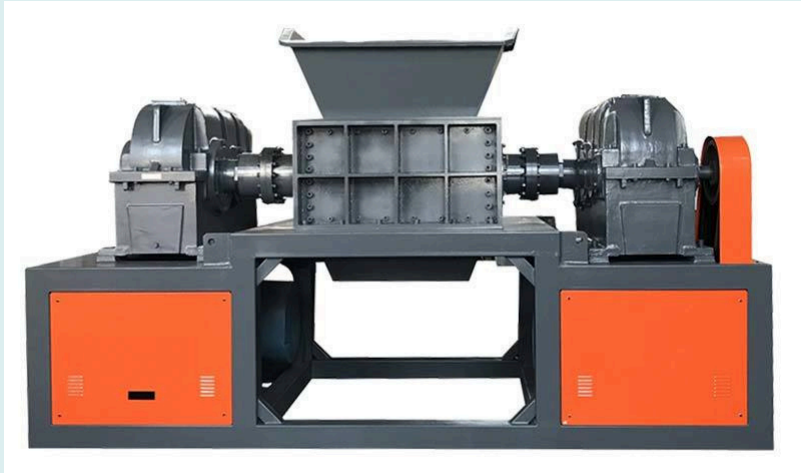

Shredder v - 2

Shredder v - 3

Shredder v - 4

Shredder v - 5

## OUR CATEGORIES

- HYDRAULIC PRESS
- SHREDDER
- SHEET PRESS
- BAILING PRESS
- ROUTER MACHINE
