INTRODUCTION

介绍

Hoang Dang Import-Export Company, formerly Tien Phong Telecommunication Technology Co., Ltd., with over 15 years of growth and a commitment to building its reputation in the import-export field. Hoang Dang specializes in distributing and exporting raw materials, including wood products like veneer, plywood, and high-quality PMMA plastic products, serving the needs of both domestic and international markets.

With major import-export partners primarily in China and India, Hoang Dang continually expands its network and enhances product quality to meet customer expectations. We operate a 3,000 m² production facility equipped with modern machinery and two advanced PMMA plastic sheet production lines imported from Jwell (China), as well as supporting infrastructure like offices and employee dormitories.

In addition to collaborating and investing in reforestation, Hoang Dang owns a timber resource of up to 20,000 m³, mainly composed of acacia and eucalyptus wood, meeting large order volumes for leading Asian countries. We are committed to environmental protection, reducing greenhouse gas emissions, and applying scientific advances in PMMA plastic production. Through our continuous efforts to use 100% recycled materials for our finished products, our company proudly meets stringent environmental standards, aimed at sustainable development.

We recognize that, in the rapidly evolving global economy, integrating economic profit with social responsibility is crucial. Hoang Dang is committed to delivering high-quality products while ensuring environmental protection standards and sustainable benefits for the community. Our goal is not only to create value for shareholders and customers but also to build a green future for the next generation, becoming a company dedicated to community and environmental responsibility.

Hoang Dang 进出口公司，前身为 Tien Phong 电信技术有限公司，拥有超过 15 年的发展历史，致力于在进出口领域树立声誉。Hoang Dang 专门分销和出口原材料，包括木制品（如单板、胶合板）和高品质 PMMA 塑料产品，满足国内和国际市场的需求。

Hoang Dang 的主要进出口合作伙伴主要在中国和印度，该公司不断扩大网络并提高产品质量，以满足客户期望。我们拥有一个 3,000 平方米的生产设施，配备现代化机械和两条从 Jwell（中国）进口的先进 PMMA 塑料板生产线，以及办公室和员工宿舍等配套基础设施。

除了合作和投资重新造林外，Hoang Dang 还拥有多达 20,000 立方米的木材资源，主要由相思木和桉树组成，可满足亚洲主要国家的大量订单。我们致力于环境保护、减少温室气体排放，并在 PMMA 塑料生产中应用科学进步。通过不断努力使用 100% 再生材料生产成品，我们公司自豪地满足了严格的环境标准，旨在实现可持续发展。

我们认识到，在快速发展的全球经济中，将经济利润与社会责任相结合至关重要。黄登致力于提供高质量的产品，同时确保环境保护标准和社区的可持续利益。我们的目标不仅是为股东和客户创造价值，而且要为下一代建设绿色未来，成为一家致力于社区和环境责任的公司。

SCALE OF MATERIAL

材料尺度

- ▶ Our Acrylic glass sheet products are manufactured with 2 main types of PMMA materials: Virgin PMMA and Recycled PMMA.

我们的亚克力玻璃板产品采用两种主要类型的 PMMA 材料制成：原始 PMMA 和再生 PMMA。

- ▶ Virgin PMMA is imported directly from the world's largest raw material manufacturing corporation, Double Elephant, has passed inspection and testing with a consumption capacity of about 3 - 5 containers/month.

原生PMMA由全球最大原料制造公司双象集团直接进口，通过检验和测试，消耗能力约为3-5个货柜/月。

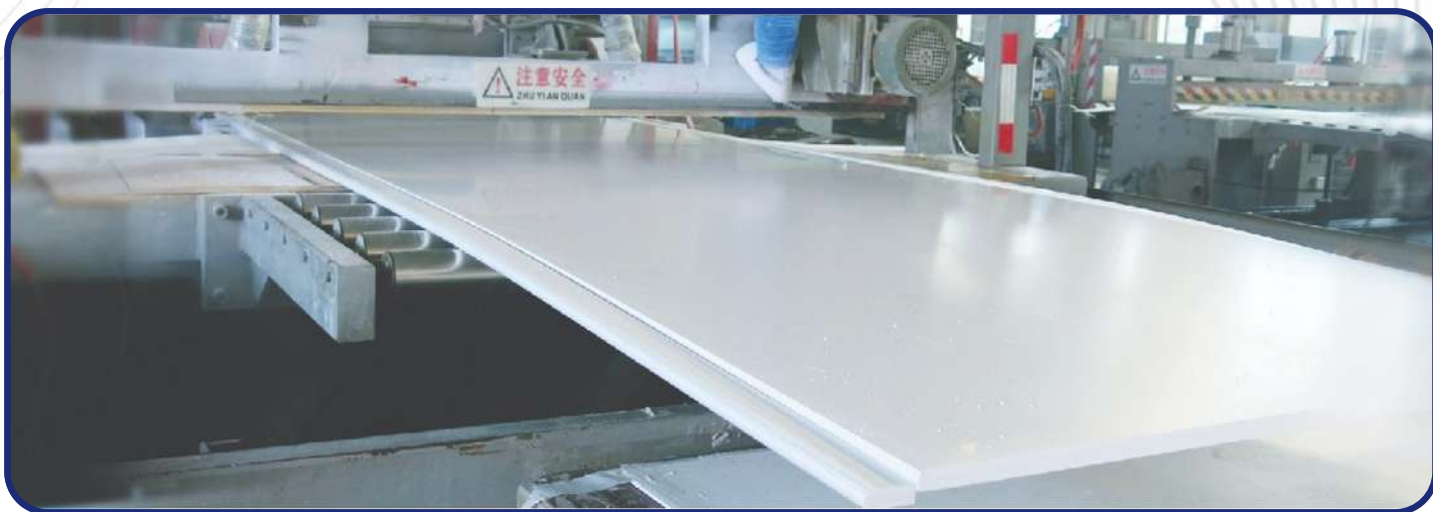

- ▶ Recycled PMMA is transported directly from the largest PMMA plastic granule recycling factory in the northern region of Vietnam, Organic Glass Factory - MMA, at Au Lau Industrial Park, Yen Bai. With full documents verifying the origin and modern, friendly recycling technology, ensuring environmental safety. Consumption capacity is about 5 - 8 containers/month.

回收的 PMMA 直接从越南北部最大的 PMMA 塑料颗粒回收工厂——位于安沛 Au Lau 工业园的有机玻璃工厂 - MMA 运输。拥有完整的原产地文件和现代、友好的回收技术，确保环境安全。消耗能力约为 5 - 8 个集装箱/月。
