

NUTRI BURST

Our Story

Nutriburst's journey began in 2019 with a clear purpose to revolutionize health supplements. Starting as a vision, we embarked on a mission to make wellness gummies both beneficial & enjoyable. In 2022, we expanded to India, introducing nutrient-packed gummies that redefined the health supplement landscape. Our commitment is not just about crafting supplements; it's about pioneering a new approach to nutrition. With a refreshed brand identity, endorsements from nutrition experts & a focus on sustainability, Nutriburst strives to make health accessible to all. From our inception, we've dedicated ourselves to enhancing health & wellness through innovative nutrition solutions, making vitamins easy to take, easy to understand & easy to love.

July 2019

The Birth of Nutriburst

Got officially registered, marking the beginning of its journey in the health supplement industry.

NUTRI
BURST

February 2022

Online Launch in India

Nutriburst India went live, bringing the brand's innovative vitamin gummies to the Indian market.

June 2022

In December 2023 Nutriburst expanded into more retail stores, making our products available to even more customers. Alongside this expansion, we introduced a new range of products designed for health enthusiasts. This step shows our ongoing effort to reach more people and offer them innovative health supplements.

November 2023

Stylist Live Event

Participation in Stylist Live, showcasing Nutriburst's products to a wider audience.

September 2023

Introduced multi-functional Kids Gummies designed for child's growth and immunity, Shilajit Gummies for enhanced energy and vitality in adults, and innovative, easy-to-carry Gummy Pouches to make wellness on-the-go effortless, marking the brand relevance to stay ahead during the thriving times.

Upcoming.....

Launch of our innovative product lineup, including Lung Detox, ACV Effervescent, Kids Eyecare and many more, designed to support wellness for all age groups and provide targeted wellness solutions for the whole family.

Our Vision

At Nutriburst, our vision is clear — 'Doing vitamins differently.' We stand at the forefront of the nutrition industry, transforming the world of health supplements & Nutraceutical. Our goal is to innovate within the vitamin supplement market by crafting gummies that are not only effective but also align with the highest standards of taste & quality. We envision a movement towards a healthier, better-informed world, where our commitment to innovation, quality & sustainability uniquely positions us in the nutrition & wellness industry. We are dedicated to creating inclusive nutrition that's accessible for everyone, regardless of dietary or religious restrictions.

Our Commitment

Nutriburst is committed to crafting clean, great-tasting, and highly effective health supplement products. We empower individuals to feel their best, embodying the essence of a 'super you.' Placing our customers at the heart of everything we do, our dedication lies in providing products that fuel your day with clean, top-tier ingredients. We lead with radical transparency, ensuring our customers know precisely what they consume. With a focus on plant-powered, expert endorsements & a commitment to environmental responsibility, Nutriburst strives to make health & wellness both accessible & enjoyable. Our commitment translates into a tangible, positive impact on your daily life. Feel super you & fuel your day with clean, high-quality & great-tasting vitamins & Minerals to support all-round health.
