

About ME

I am Pritish H. Vaishnav, the founder of Takshvi Traders, a Merchant Export firm committed to promoting eco-friendly solutions across the globe. With a deep dedication to sustainability and innovation, I have focused on exporting Sugarcane Bagasse Products—an environmentally responsible alternative to conventional disposable items.

My mission is to support global communities and businesses in transitioning to sustainable practices without compromising on quality or convenience. Guided by a vision of a cleaner planet, I ensure every product we export contributes to environmental balance and exceeds customer expectations.

With a strong grasp of international standards and market dynamics, I aim to foster long-lasting, trustworthy partnerships with clients who value sustainability and ethical business practices.
