Portfolio

- With a strong commitment to quality, integrity, and seamless service, headquartered in Mumbai - Apex International connects businesses worldwide through efficient export and import solutions backed by its expertise in navigating international markets and Indian regulations.
- We specialize in delivering a diverse range of products in the beverage industry and other commodities.
- We are compliant with IEC, GST, Port Registration, FSSAI, RCMC and other imperative licenses required for an efficient and swift experience.

Apex
International

Our Mission

- To bring the best of homegrown, single-source origin Indian artisanal coffee to Middle East's bustling coffee scene.
- We collaborate closely with individual farmers who have small estates and work using sustainable and ethical production techniques.
- We firmly propagate fair-trade practices to ensure our network of farmers are protected.

Apex
International

From Farm to Cup

Our coffee is sourced from smallholder farmers and cooperatives across renowned coffee-growing regions. We prioritize traceability and quality, supporting direct trade relationships that benefit local communities.

Apex
International

Our Vision

- To Become a globally trusted name when it comes to ethically sourced coffee and tea blends.
- Expand B2B partnerships with cafés, hotels, and roasters.
- Promote organically grown niche Indian-origin luxe blends from estates of Chikmanglur and Coorg worldwide and create a sustainable business for small scale farmers.

Our Offerings in Coffee

- **Green Coffee Beans** – Unroasted beans for roasters and bulk buyers.
- **Roasted Beans** – Light, medium, or dark roasted, per client specs.
- **Ground Coffee** – Freshly ground to suit various brewing methods.
- **Single-Origin Coffees** – Unique flavor profiles from distinct regions of Chikmangluru & Coorg.
- **Custom Blends** – Curated blends for cafés and retail brands.

Customization available for taste, roast profile, and packaging.

Apex Bean Guide

Apex
International

Type	Processing	Grades	Notes
Arabica	Washed(Plantation)	AAA,AA,A,B,C,PB	Earthy, chocolatey, and fruity flavors, with a balance of acidity and body.
Arabica	Unwashed (Cherry)	AAA,AA,A,B,PB	Dense aroma, fruity notes, a gritty body, and bitter walnut tones.
Robusta	Washed(Parchment)	AAA,AA,A,PB	Clean and bold profile, lower bitterness, smoother finish; preferred in espresso blends and premium Robusta preparations.
Robusta	Unwashed (Cherry)	AAA,AA,A,B,PB	Bold, full-bodied flavor profile with tasting notes of dark chocolate, nuts, and a hint of bitterness.

Our Offerings in Tea

Rooted in Tradition, Refined for Today

Our teas are handpicked from heritage gardens and small estates across India. We ensure every leaf carries the story of its origin, cultivated with care and processed with precision.

Key Regions:

- Darjeeling
- Assam
- Nilgiris
- Sikkim

Partnerships:

- Direct sourcing from estates
- Support for women-led cooperatives
- Eco-conscious and organic farming initiatives

**Apex
