Seliyan Group  
DELIVERING WHAT WE PROMISE

Our Promise:

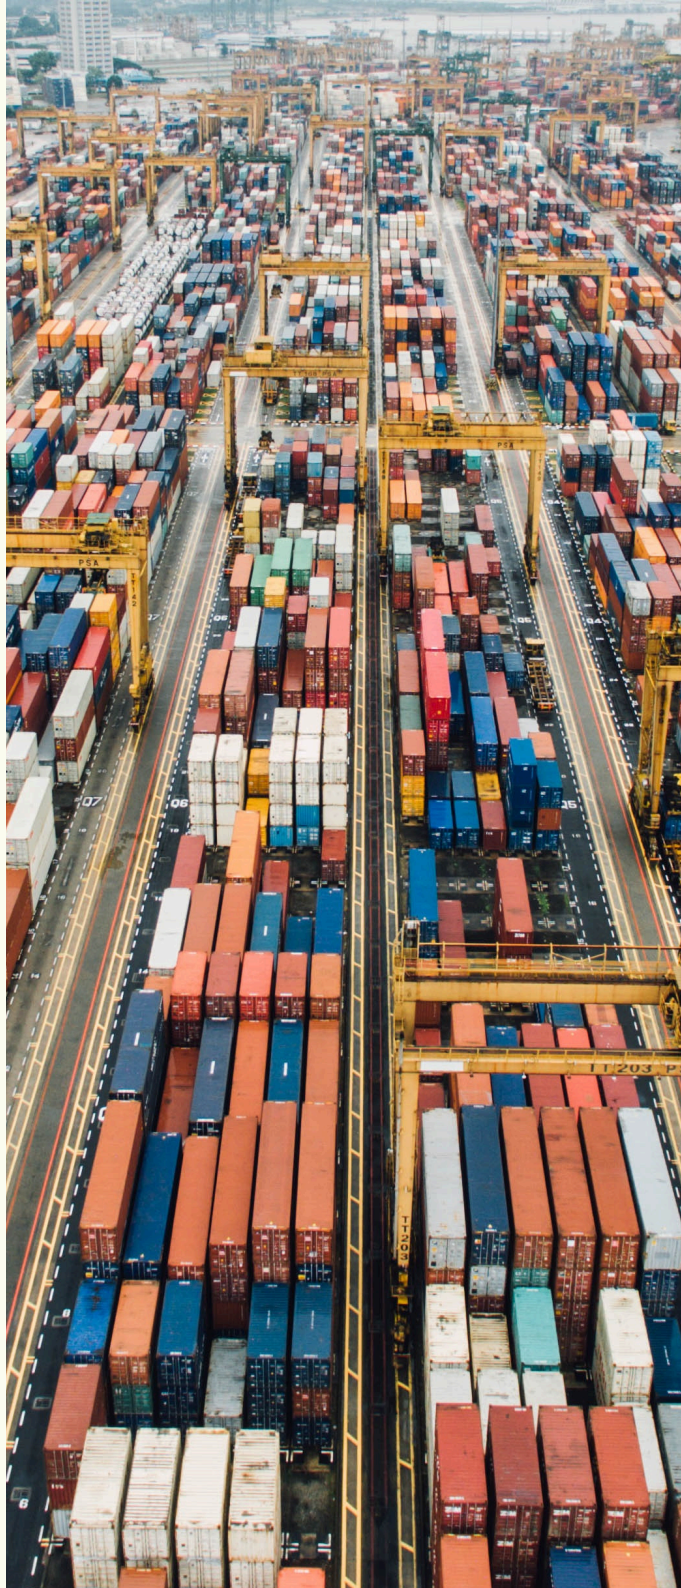

We don't just ship products — we deliver trust, quality, and long-term partnerships.

## Who We Are

At Seliyan Group, we specialize in sourcing and exporting high-quality agricultural products from the fertile lands of Kerala, India. With a strong focus on quality, reliability, and timely delivery, we serve partners across the globe who value freshness and authenticity.

## Our Mission

To deliver the finest produce and ingredients that reflect the richness of India's agricultural heritage — always with integrity and consistency.

## What We Offer

We export a wide range of fresh fruits, vegetables, spices, and rice varieties. Our products are handpicked, processed, and packed to meet international standards — ensuring maximum shelf life and flavor for global markets.

## Why Choose Us

- Trusted sourcing directly from local farms
- Timely, hassle-free international shipping
- Competitive pricing and custom packaging
- Strong commitment to product quality

## Our Products

### Fruits

We offer a vibrant selection of tropical fruits grown in the fertile lands of Kerala. Each fruit is handpicked at the right stage of ripeness to preserve its natural flavor and nutritional value. All exports comply with international food safety standards, including FSSAI and APEDA certifications.

#### Available Fruits:

- Banana
- Pineapple
- Jackfruit
- Mango
- Papaya
- Gooseberries
- Custard Apple
- Coconut

## Vegetables

Our vegetables are sourced directly from trusted local farms and harvested at peak maturity. We prioritize cleanliness, freshness, and export-ready packaging to meet global quality standards. Products are certified by FSSAI and inspected to ensure consistent quality before shipping.

### Available Vegetables:

- Tapioca
- Elephant Yam
- Drumsticks
- Long Beans
- Tomatoes
- Onions
- Chillies
- Potato

# Spices

Sourced from the spice hills of Kerala, our spices are known for their bold aroma, deep flavor, and purity. We process and pack them under strict quality controls to retain their natural oils and potency. Our spices are APEDA-registered and comply with EU and Gulf food safety norms.

## Available Spices:

- Black Pepper
- Cardamom
- Cloves
- Nutmeg & Mace
- Cinnamon
- Star anise
- Dry Chillie

## Rice Varieties

We export premium varieties of rice including Matta, Jeerakasala, and Basmati — each known for its unique grain, aroma, and cooking quality. Our rice is cleaned and packaged with care to ensure purity and long shelf life. Certified by FSSAI and ideal for both bulk and branded supply chains.

Available Rice:

- Matta Rice (Kerala Red Rice)
- Jeerakasala (Kaima Rice)
- Basmati Rice
