Welcome to LYON EXPORTS

We are a certified merchant exporter based in Kachchh, Gujarat, India, operating under our legal name LYON IMPEX. With a strong foundation in agriculture and food processing, we specialize in the export of dehydrated vegetables, fruit powders, spices, and industrial salts.

Our company holds all major certifications including FSSAI, APEDA, MSME, GST, and IEC, ensuring compliance with global export standards. We are strategically located in Gujarat, India — a major hub for spice and agro-commodity sourcing.

Our mission is to deliver quality Indian ingredients with consistency, transparency, and reliability to international buyers. With scalable supply capabilities, customized packaging, and a commitment to service, we support buyers across food, health, and manufacturing industries.

OUR PRODUCTS

- **Dehydrated Onion**

- **Forms:** Flakes, Powder, Minced

- **HS Code:** 07122000
