Established in Moradabad in 1991, **KAIZEN ARTS INDIA** has become a well-respected manufacturer, wholesaler, and exporter of a diverse range of decorative products. Our offerings include lights, aluminum tables and stools, Christmas products, candle holders and stands, watering cans, copper items, cooking cutlery, and various types of lanterns and planters as well as tea kettles.

Our skilled professionals meticulously design these authentic and durable products, keeping current market trends in mind. Widely favored in homes and hotels, our decor items are also available at competitive prices. We maintain stringent quality control throughout the manufacturing process, overseen by dedicated experts. To ensure customer satisfaction, we provide appealing services to the clients.

To better serve the Indian market, we have launched a dedicated sub-chain under Kaizen Arts India named **AF LUXE ENTERPRISES**. AF Luxe Enterprises focuses exclusively on providing **premium home decor products** to buyers across India, delivering the same level of craftsmanship, innovation, and reliability that Kaizen Arts India is known for on the global stage.

With significant experience in the industry, and under the leadership of **Mr. Ahzam Asif** and **Mr. Farzan Asif** of Kaizen Arts India, along with **Mr. Amaan Firoz** of AF Luxe Enterprises, we are committed to offering a world-class selection of reasonably priced and high-quality décor products tailored for both domestic and international markets.
