## Suitable Indoor-Outdoor

Whether host a dinner party for friends and family indoors, or want to enjoy those long summer evenings outdoors, this chair covers both options. This smart chair is suitable for both indoors and out. While the chair has a warm and natural look, the woven rattan is actually made of synthetic.

- Suitable for both indoors and outdoors
- Made of synthetic material
- With comfortable and water-repellant seat cushion
- Matte black metal frame
- Adds warm ambience to any room

Both the comfortable seat cushion and metal frame are weatherproof. So, you can turn your interior as well as your garden, balcony or roof terrace into a warm place full of atmosphere.
