

## Clove Export Catalog

Clove (*Syzygium aromaticum*) is one of Indonesia's most valued spice exports.

At Flavor Pure House, we source high-quality, sun-dried cloves directly from trusted farmers, ensuring each shipment meets international standards.

Our cloves are hand-picked, aromatic, and rich in essential oils, suitable for both food and industrial applications.

We provide several types of cloves : Lalpari cloves, Zanzibar cloves dan Asalan cloves. Due to the demand of the local industry and the global market. We are ready to serve you wholeheartedly.
