SHEA BUTTER

Our Premium Shea Butter is carefully sourced from the heart of Ghana, known for producing some of the highest-quality shea butter in the world. Extracted from the nuts of the *Vitellaria paradoxa* tree, our shea butter is 100% natural, unrefined, and organic, making it ideal for a wide range of applications, from skincare to hair, and even cosmetics

- 100% Pure & Organic: No chemicals, preservatives, or additives.
- Rich in Vitamins: Packed with vitamin A, vitamin E, and essential fatty acids to nourish, hydrate, and protect the skin.
- Versatile Use: Ideal for moisturizing, soothing dry skin, treating eczema, sunburns, and promoting hair health.
- Sustainably Sourced: Responsibly sourced from local farmers in Ghana, ensuring fair trade and eco-friendly practices.
- Multi-Purpose: Perfect for use in lotions, balms, soaps, hair care products, and lip balms.

RAW CASHEW NUT (RCN) & CASHEW KERNEL

Our Raw Cashew Nuts (RCN) and Cashew Kernels are sourced from the fertile lands of Ghana, a country renowned for its premium cashew production. Carefully harvested and processed, our cashew products are of the highest quality, making them perfect for snacking, cooking, and industrial use in food and cosmetic products.

- Premium Quality Raw Cashew Nuts (RCN): Unprocessed and fresh, ideal for roasting, seasoning, or further processing.
- Rich, Tender Cashew Kernels: Our cashew kernels are handpicked, carefully sorted, and expertly processed for a rich, tender texture and natural flavor.
- Nutrient-Rich: Cashews are a great source of healthy fats, protein, fiber, and minerals such as magnesium, iron, and zinc.
- Sustainably Sourced: Responsibly harvested from local farmers in Ghana, supporting ethical practices and community development.
- Versatile Use: Perfect for use in snacks, cooking, bakery products, cashew butter, and cosmetic formulations.

PREMIUM CRUDE RED PALM OIL

Our Premium Crude Red Palm Oil is sourced from the lush, tropical regions of Ghana, where it is ethically and sustainably harvested. Known for its vibrant colour, rich taste, and nutritional benefits, our palm oil is carefully processed to retain its natural goodness and is ideal for both culinary and industrial applications.

- **100% Pure & Natural:** Our crude red palm oil is unrefined, retaining all of its natural nutrients, including vitamins, minerals, and antioxidants.
- **Rich in Beta-Carotene:** The deep red colour is a natural indicator of its high beta-carotene content, which is converted into vitamin A to promote healthy vision and skin.
- **Healthy Fats:** Contains a balance of monounsaturated and saturated fats, making it a heart-healthy cooking option when used in moderation.

- **Versatile Use:** Perfect for cooking, frying, baking, and manufacturing a variety of products, including soap, cosmetics, and biofuels.
- **Sustainably Sourced:** Our palm oil is ethically sourced, ensuring fair trade practices that benefit local farmers while promoting environmental sustainability.
- **Non-GMO & Chemical-Free:** Free from harmful chemicals, additives, or preservatives, making it a natural and healthy choice for consumers.

MATURE BROWN COCONUT

Our Mature Brown Coconuts are sourced directly from Ghana, where the tropical climate and fertile soil provide the ideal conditions for growing coconuts with exceptional taste and quality. These coconuts are carefully selected for their freshness and maturity, ensuring that you receive a top-grade product for both consumption and industrial use.

- **Fresh & Nutritious:** Packed with natural coconut water and high-quality coconut meat, offering a refreshing and nutrient-rich experience.

- **Naturally Sweet & Flavourful:** Ideal for direct consumption, cooking, or making fresh coconut milk and oil.

High-Quality Coconut Meat: Mature coconuts have a thick, firm, and rich texture, perfect for use in recipes or as a snack.

- **Sustainably Sourced:** Responsibly harvested using eco-friendly farming methods, supporting local farmers and promoting sustainability.
- **Versatile Use:** Suitable for eating, cooking, beverages, and coconut-based products like milk, oil, flour, and desserts.

AFRICAN BLACK SOAP

Our African Black Soap, traditionally made in Ghana, is a centuries-old natural remedy crafted from plant-based ingredients such as cocoa pod ash, plantain skins, palm kernel oil, and shea butter. Revered for its deep-cleansing and healing properties, our black soap is completely free from synthetic additives, making it a go-to choice for natural skincare enthusiasts. With its unique blend of natural ingredients and scientifically recognized properties, black soap is increasingly favored by industrial skincare manufacturers for developing eco-conscious, effective, and multifunctional products.

- **Deep Cleansing**
Naturally antibacterial and exfoliating, it helps remove dirt, excess oil, and dead skin cells without stripping the skin of its natural moisture.
- **Fights Acne and Blemishes**
Its antimicrobial properties help combat acne-causing bacteria and reduce inflammation, making it effective for acne-prone skin.
- **Even Skin Tone**
Regular use can fade dark spots, hyperpigmentation, and blemishes, promoting a more even complexion.
- **Anti-Ageing Properties**
Rich in antioxidants like vitamins A and E, black soap helps reduce fine lines and boosts skin elasticity. Gentle enough for sensitive skin, it may relieve symptoms of eczema, psoriasis, and dermatitis.
- **All-Natural and Biodegradable**
No harsh chemicals—just pure ingredients from nature, safe for you and the environment.
