## WHO WE ARE

We are Atras Tejarat Behzad an export management company that works under the name of Atras trading compnay or (ATCo). A young company that is fueled by passion and ambitious to provide its customers with the best products available in the market. Carrying your trust as our core value for a sustainable business collaboration is our No. 1 responsebility.

## Our vision

Since the begining of our foundation, we set one goal to achieve in the future and that is to be the most reliable supplier of our countrie's top products to the entire world. Even though this might seems hard but with our dedicated team and the manufacturers that we carefully select in order to supply their products to our final customers we believe that this goal is not out of reach

# Why Us?

---

## ***Because we hit the target and get the job done***

Beside our compatible ability to provide the products from the manufacturers that we have contract with, we are also here to help businesses to thrive and get the services or other products they request based on their enquiry. By analysing the manufacturer and their ability to reach your demand, our company is here to connect them with you and achieve your goal by supervising every step of supply chain to ensure that nothing goes wrong and everything is at the right place.

# Our Services
