Good food, Good mood

Introduction

Cooklee F&B is a pioneering company specializing in the processing and distribution of frozen vegetables and fruits. Founded with sustainability at its core.

Our mission is to deliver nutritious, high-quality, and environmentally conscious food products to consumers worldwide.

With a steadfast commitment to innovation and excellence, we aim to redefine global frozen food standards and make our premium products accessible across various countries and regions.

**Empowering
Healthy
Choices
Every Day**

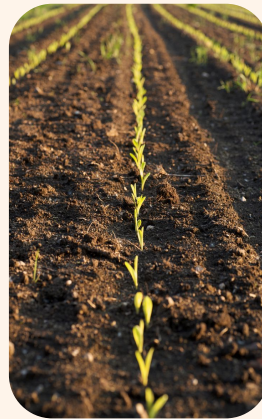

Background

Cooking for a Sustainable Future

Cooklee reflects our philosophy of blending culinary excellence with sustainability. Derived from the words "cook" and "sustainability", our name symbolizes our mission to create delicious, environmentally responsible food products.

“Lee” – A Symbol of Strength and Resilience

Offering consumers a reliable safe haven of sustainable, nourishing food in an increasingly environmentally conscious world. Cooklee empowers you to prepare meals that are as good for the planet as they are for your table.

**QUALITY,
SUSTAINABILITY,
INNOVATION AT
CORE.**

**Cooklee:
A Recipe for
Success**

**“Nourishing Earth
One Seed at
a Time”**

Our Vision

“We are passionate about seeing the healthy food industry in Africa and Middle East prosper!”

Our vision is to create a future where everyone has access to nutritious and sustainable food options. By harnessing the power of innovation and technology, we envision **Cooklee Foods** as:

- Lead the frozen food industry in quality, sustainability, and ethical practices.
- Positively impact communities and the environment.
- Expand globally, leaving a legacy of health and sustainability for generations to come.
- Provide a comprehensive dietary solution offering for balanced nutrition.

products exceeding
expectations.

Health Consciousness

Prioritizing nutrition
and wellness.

Sustainability

Committing to
eco-friendly practices
and innovation.

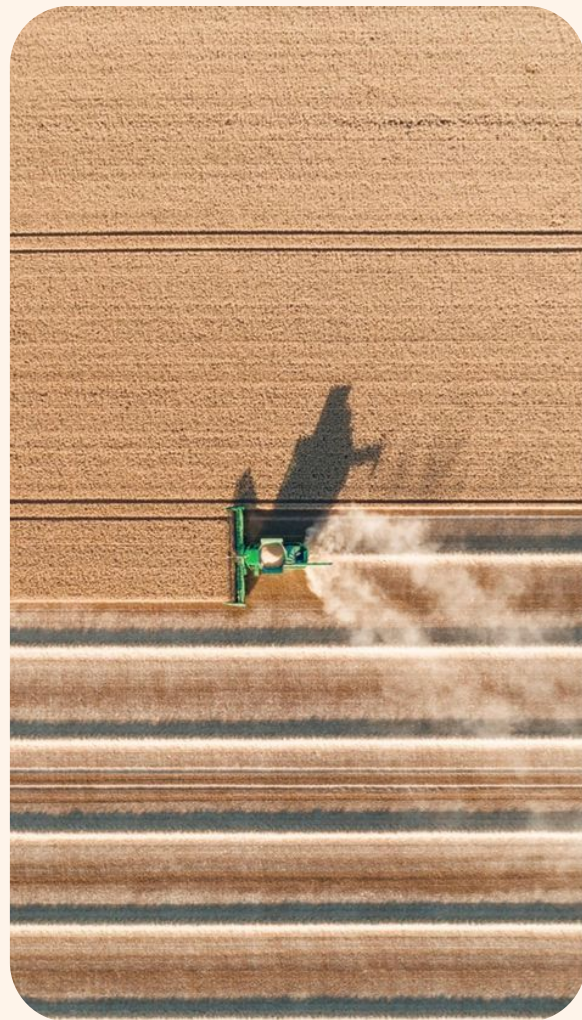

Authenticity

Staying true to natural,
preservative-free
ingredients.

Cooklee Storytelling: The Journey of Our Products

Every Cooklee product tells a story of care, precision, and sustainability:

- **Best Management Practices:** Employing precise agriculture techniques (PAT) to reduce water wastage and nutrient leaching.
- **Careful Harvesting:** Ensuring freshness and quality from farm to table.
- **Sustainable Production:** Operating facilities with environmental stewardship in mind.

Cooklee: A Recipe for Success

“Cooklee brings you more than just food—it delivers a promise of quality, sustainability, and innovation”.
