Export Edition – 2024 | Global Agro Solutions

INTRODUCTION

SHIDHINEX is a premium brand under SHIDHIN AGROTECH

committed to delivering high-quality agro-based products with a strong focus on purity, sustainability, and global standards. **Founded and led by Mr. Dhirendra Kumar Sinha**, SHIDHINEX specializes in exporting a diverse range of products including turmeric, dehydrated onion and garlic, sesame seeds, moringa powder, and other value-added natural ingredients. With a mission to promote India's agricultural heritage across the globe, SHIDHINEX ensures every product reflects authenticity and trust

OUR TRADING CORE AREAS

At SHIDHINEX, our core strength lies in the export and global trading of high-quality agricultural and natural food products. We source directly from trusted farmers and processing units across India, ensuring our products meet international food safety and purity standards. Our offerings cater to industries like food processing, health & wellness, nutraceuticals, cosmetics, and organic living.

OUR MISSION

- **Deliver premium agro products with uncompromised quality and authenticity to global markets.**
- **Empower Indian farmers through ethical sourcing and sustainable trade practices.**
- **Promote natural and healthy living through clean, traceable, and chemical-free ingredients.**
- **Establish SHIDHINEX as a trusted export brand across food, wellness, and nutrition sectors.**
- **Continuously innovate and adapt to meet evolving international standards and customer needs.**
