

Product Details

Our product range is crafted from carefully selected organic ingredients, backed by science and nature. We specialize in:

Root Booster

Its crafted with 100% pure rosemary extract and distilled water, free from synthetic fragrances, parabens, and sulfates. Known for its antioxidant and anti-inflammatory properties, it promotes scalp circulation, balances natural oils, and nourishes the hair. Available in 100ml

Benefits:

- Stimulates hair growth and strengthens roots.
- Reduces dandruff and soothes an itchy scalp.
- Adds shine and improves hair texture.
