- In today's market conditions JK.S Marine services is the partner you need when it comes on gaining high quality services and on saving money and time in repairing your vessel.

Our Ship Chandler service , consists in offering all types of items, equipment and supplies for vessels, as well as ensuring port logistics and storage services and assignments. At JK.S Marine services we specialise in ensuring satisfaction – in a field in which we have a wealth of experience. We work with the best professionals and companies to provide any equipment that a vessel may need, whether in port or at sea.

We are, in a way, a supermarket for vessels – as well as a leading provider for vessels in any port of Bangladesh or stopover. We provide food – dry or fresh – drinks, hygiene products, bed linen, uniforms and any other sailing equipment

For this, we rely on the best professionals and provider companies in order to ensure this service 24 hours a day, 365 days a year. For any onboard needs, we'll offer the solution with efficiency and agility – exactly where you need it. And always as quickly as possible.

As a result, we are the provider of choice for an increasing number of crews and vessels across the world. Our reliability, speed and efficiency is matched only by the quality of our products and the excellent conditions of our services.

When it comes to ship supplies or maritime assignments of any kind, JK.S Marine services is always the leading option. We guarantee the solution you need.

Bay Pilotage Service (Kutubdia-Chattagram)

- 24 hours a day, 365 days a year. Each Pilot is a qualified Master Mariner and undergoes extensive local training to become a Senior First Class Pilot. Our prime undertaking is local pilotage and ship handling, but also as a group we can offer expertise on wider Maritime issues.

- Due to draft limitation and strong current it is extremely important to take pilotage services from Kutubdia-Chattagram for deep -draft vessel. Due to frequent tendency of dragging anchor stand-by pilot is required at a times. Our experienced and dedicated team is 24/7 standby to provide any type of pilotage services for deep draft vessel.

Surveys and Inspection:

Our wide range of marine surveys performed includes:

- (Petroleum/Edible oil/Any type of Marine cargo);
- P&I Surveys;
- Draft Surveys;
- On/Off-Hire Bunker and Condition;
- Bunker Quantity Survey, ROB;
- Holds Inspection (Grain Cleanliness Condition)
- Internal Audit ISPS / ISM.
- General and bulk loading/discharging survey;
- Accident/Casualty Investigation;
- Cargo damage;
- Pre-purchasing;

Sludge and Garbage disposal:

- We are pleased to inform you that we will dispose of your suitable vessel's sludge and garbage free of cost at Bangladesh, along with the MARPOL certificate.
- We also purchase scrap metal/old motor /old mooring rope etc. with competitive price from vessel.
- We provide above services at anchorage or at berth promptly,safely and complying with all local regulations.
- We also provide chipping & tank cleaning Gang at minimum cost.

Protective Agency:

- We offer protective agency both for ship owners (OPA) and charterers/cargo owners (CPA) to supervise the counter party's agent throughout the port call. As protective agents we ensure that your interests are well taken care of. This helps you avoid any conflict of interest that may arise with many stakeholders involved in a port call.

Why Us As Your Protective Agent?

- **Local knowledge**

We are present in all the ports of country and has a reach to the top authority (PORT/MMD/PSC etc) in the country. We know the local, state and port regulations, as well as port information, restrictions, supplier cost levels, etc.

- **Minimise cost**

We scrutinize the DA to ensure you are not overcharged and to keep your operations on schedule e.g. verifying that pilots are on time and that the correct amount tug boats are ordered. We have our own supply chain of stores/spares including any other maritime services.

- **Compliance**

We follow strong governance and compliance principles. With a protective agent, you can settle the PDA and funds through us, giving you more control over shipper or receivers agent as we are better positioned to challenge them with local knowledge.

- **Statement Of Facts (SOF)**

We will check SOF and challenge any questionable items that has not been agreed in order to protect your interest.

- **24/7 availability**

We are at your full disposal **24/7** during loading and discharging operations to assist and intervene with shippers/receivers agent as requested and if applicable.

- **Crew Management**

We are in the business of attracting, developing and retaining the best set of crew for you. Our management centres are supported by global manning offices to recruit skilled seafarers and coordinate all your crewing needs.

- **Technical Management**

Vessel managed by us are maintained to the highest standards by our in-house team, driven by the aim of greater operating efficiency and commercial success without compromising on safety and quality. We maintain excellent Right ship ratings, third-party safety, PSC and Flag State inspection results. We operate in full compliance with ISM requirements as well as adopted ISO Standards to ensure safe and effective ship management.
