# ABOUT

#### Covering Countries

80+

#### Manufacture Centers

2

#### Accreditation

ISO900-2015

#### Employees

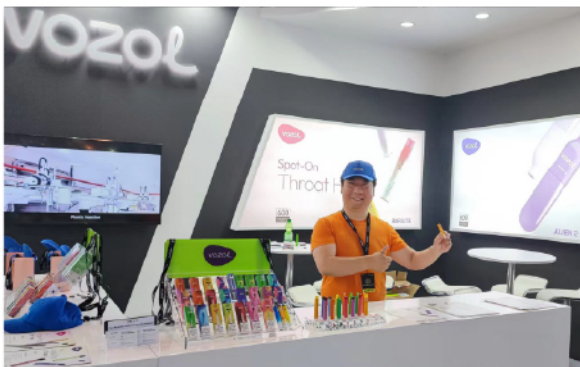

2500+

#### Factory Area

18600M<sup>2</sup>

#### Productivity

120 MILLION UNITS/YEAR

VOZOL launched in 2018 with a mission to offer high-quality vape products and promote responsible use as part of an enjoyable, healthier lifestyle.

Now, VOZOL has grown into a world-famous brand with a complete system of Design, R&D, Manufacturing, and Global Distribution.

In 2019, Vozol created the world's first dual-flavored disposable e-cigarette D2, which became hot all over the world; 2021, Vozol serving more than 200 e-cigarette customers worldwide, covering more than 35 countries. In 2022 Vozol Brand Fully Upgrade, Monthly production capacity over 10 million pcs with 2 manufacturing centers.

In Dongguan, we have a production center of 18,600 square meters, which is a class 100000 dust-free workshop, has fully passed the ISO900-2015 quality management system certification, with a production capacity of 120 million pieces per year.

We believe a satisfying product should be perfect in both design and function and from which you can feel happiness. Vozol is dedicated to being the connection of joy and your life, to making joy happen, anytime, anywhere.

The background is a vibrant orange gradient. It features several overlapping, semi-transparent spheres of varying sizes. A large sphere is in the center, with a smaller one to its right and another to its left. In the bottom left, there is a medium-sized sphere with a very small sphere nested inside it. The lighting creates soft shadows and highlights on the spheres, giving them a three-dimensional appearance.
